PROCEDURAL ORDER**BY THE COMMISSION:**

On December 19, 2007, Fisher's Landing Water and Sewer Works, LLC, ("Fisher's Landing" or "Company") separately filed applications for an increase in water and wastewater rates with the Arizona Corporation Commission ("Commission") in the above-captioned dockets.

On January 22, 2008, the Commission's Utilities Division ("Staff") filed Letters of Insufficiency in each of the dockets.

On February 15, February 27, and February 28, 2008, the Company filed additional supporting information in the water rate case. Additional information was filed in the wastewater rate case on February 27, 2008.

On March 24, 2008, Staff filed Letters of Sufficiency in each of the dockets informing Fisher's Landing that the applications met the requirements of A.A.C. R14-2-103.B.7, and classifying the Company as a Class D utility.

On April 29, 2008, Staff filed Motions to Suspend Time Clock in each of the dockets. Staff

1 states that Fisher's Landing requested an extension of time to provide responses to Staff's first set of
2 data requests, and Staff would therefore need additional time to prepare its Staff Reports in the
3 dockets.

4 IT IS THEREFORE ORDERED that Staff's request to suspend the time clock in the
5 above-captioned dockets is hereby granted.

6 IT IS FURTHER ORDERED that, because the above-captioned dockets address rate
7 applications by the same company, consolidation of the dockets is appropriate. The above-
8 captioned dockets shall henceforth be consolidated.
